Normally, the Construction Industry recognizes Sunday holidays by observing the Monday following the holiday. Holidays that fall on Saturday are, traditionally, observed on that Saturday, in that Saturday is in many cases a workday (or make-up day). However, many companies, if not bound by collective bargaining contracts or work requirements, will observe Saturday holidays on the preceding Friday.

In the event of emergency conditions due to severe weather, natural disasters, major utility failure, or other reasons, the AGC Houston office may be closed to ensure staff safety.
